STATE OF WISCONSIN
BEFORE THE MEDICAL EXAMINING BOARD

IN THE MATTER OF
DISCIPLINARY PROCEEDINGS AGAINST

JUDITH A. MAY, M.D.,

Respondent

ORDER GRANTING PETITION

On May 22, 1996, the Medical Examining Board issued its Final Decision and Order in the above-captioned matter. By the terms of the board's order, respondent's license to practice medicine and surgery in Wisconsin was suspended for a period of not less than five years with provision for granting successive three-month stays of the suspension upon submission to the board of a complete psychiatric and psychological evaluation establishing that Dr. May is able to practice medicine with requisite skill and safety to patients and the public.

At its meeting of October 24, 1996, the board considered a request by Dr. May for a stay of the suspension of her license. In support of the request, Dr. May submitted a Neuropsychology Report and Independent Medical Evaluation conducted at Milwaukee Psychiatric Hospital by Michael L Kula, Ph.D., and Herbert White, M.D. The board granted the stay by its Order dated November 5, 1996.

By letter dated January 13, 1997, Dr. May petitioned for a further three month stay of the suspension. The board considered the petition at its meeting of February 26, 1997, and extended the stay by its Order dated March 12, 1997. Further stays were granted on May 22, 1997, August 21, 1997, November 19, 1997, and March 12, 1998.

Pursuant to the board's order, Dr. May appeared before the board at its meeting of May 21, 1998. While Dr. May's therapist recommended that the number of required urine screens be reduced to two per month, Dr. May did not make that request, and the board therefore merely renewed the stay.

By letter dated July 13, 1998, Dr. May requested a further three month stay of the suspension of her license, and requested as well that the number of required urine screens and therapy sessions be reduced. Dr. May's therapist supported that request. Accordingly, the board orders as follows:

NOW, THEREFORE, IT IS ORDERED that the suspension of the license of Judith A. May, M.D., be, and hereby is, stayed for a further period of three months. Dr. May may petition for additional three month stays of the suspension upon submission to the board of evidence of having fully complied with the conditions and limitations set forth in the board's Final Decision and Order dated May 22, 1996, during the preceding three month period.

IT IS FURTHER ORDERED that the board's Final decision and Order in this matter dated May 22, 1996, is hereby modified to reduce the number of both required urine screens and required therapy sessions to two per month.

Dated this 4th day of September, 1998.
